

Tips When Applying for Scholarships

- Read and follow the instructions completely!
- Don't be shy...this is the time to toot your own horn. ☺
- Have someone you trust to be honest with you read your application for missing components and errors.
- Letters of reference are a major part of your application:
 - ◆ they should be current – within 12 months.
 - ◆ make sure that the people you choose actually mail the letter *on time*. We suggest a follow up call prior to the deadline.
 - ◆ be sure to get the required number of letters.
 - ◆ to make it easier for them, it's a good idea to give them, with your request for a letter, a pre-addressed, stamped envelope to:

Zonta Scholarship Committee
